

FREDY ROBERT

phreddierobert@gmail.com | 9447038916 | Bengaluru, Karnataka | India

Customer support professional with 2+ years across high-volume voice-based support for UK and US markets. Skilled at multi-channel query resolution, thorough interaction documentation, and escalation triage under strict SLA and compliance requirements. Comfortable learning new software quickly, with hands-on practice in Zendesk ticketing and WordPress content management, and using AI tools (ChatGPT, Claude) to speed up documentation and problem-solving. Consistent track record of top-tier CSAT and quality scores in fast-paced environments.

PROFESSIONAL EXPERIENCE

04/2025 – 08/2026 Bengaluru, India	Sr. Representative Operations, HSBC UK CONCENTRIX - Logged and tracked customer/account interactions using ServiceNow and three additional internal account-management systems, ensuring accurate, compliant record-keeping in a high-volume environment. - Managed incoming call queues through a dedicated call-routing platform, demonstrating fast onboarding and fluency across five distinct support systems.
01/2024 – 02/2025 Bengaluru, India	Advisor, SEARS US [24]7.Ai - Resolved inbound customer inquiries daily at first point of contact. - Sustained a 98% call wrap-up rate through strict adherence to documented handling procedures; awarded Highest CTI Compliance for data accuracy. - Earned Highest Star Rating for customer satisfaction, identifying customer needs and recommending relevant products to support retention targets.
12/2020 – 07/2021 Trivandrum, Kerala, India	Project Intern Biogenix Research Center - Full time Assisted in the ongoing research under the topic “In vitro studies on the effect of rutin on autophagy in experimental neurodegeneration.” Conducted literature research and analysis, reviewed scientific information, assisted with documentation and research writing, and contributed to interpreting and presenting research findings accurately and clearly.
